TEAM MEMBER SPOTLIGHT

How long have you been working for reLink Medical?

5 years

What do you enjoy most about being a reLink Field Transportation Specialist?

The driving and the experience with the customers that I come in contact with.

What would you tell someone considering the role?

I really enjoy what I do. The job itself is straightforward—I come in, know what needs to be done, and get it done. The team atmosphere is what makes it special and keeps me motivated. The drivers, warehouse team, and office staff are all great people.

MEDICAL

MICHAEL BERRY

Where do you see your career progressing over the next few years?

There are a lot of opportunities to grow within reLink Medical. I enjoy my current role because I like being on the road, seeing new places, and interacting with our customers. In general, my current position is where I see myself being long-term.

A word from our FTS Manager on Michael's growth and contribution to the company:

Michael Berry has demonstrated significant growth and maturity since joining the reLink team in 2019. He consistently takes on the most complex and demanding projects without hesitation and approaches each assignment with professionalism and confidence. Michael works well with all peers, maintains positive working relationships, and contributes to a strong team environment. He sets a high standard for safety, reliability, and accountability, serving as an excellent example of what it means to be a professional driver at reLink. His dedication and work ethic continue to positively impact both daily operations and overall team success.
