reLink MEDICAL EXCELLENCE AWARD

How long have you been working for reLink Medical?

Just over a year.

What do you enjoy most about being a reLink Field Transportation Specialist?

For me, it's the OTR travel. My role as an FTS allows me to utilize my knowledge as a professional driver. I enjoy the freedom and ability to map and navigate my work week, while also being able to make useful adjustments when necessary. My position allows me to do what I enjoy and gives me a lane to enhance my skills.

What would you tell someone considering the role?

You must enjoy driving and consistent travel. You must have, or work on building, a professional demeanor and mindset, be teachable, open-minded, and willing to educate yourself to grow in the role. You should also be dependable and understand the importance of your presence.

IVORY SMITH

Celebrating Labor Day: Honoring the American Workforce

Labor Day is more than just the unofficial end of summer. It's a time to recognize the hard work, dedication, and achievements of millions of workers who have helped shape our nation and strengthen our communities. First celebrated in the late 1800s and established as a federal holiday in 1894, Labor Day serves as a reminder of the perseverance and commitment that drive progress every day across every industry.

In observance of this important holiday, reLink Medical will be closed on Monday, September 7th. We thank all of our employees for their continued contributions and hope everyone takes this opportunity to relax, recharge, and enjoy a safe and happy holiday weekend with family and friends. **Regular business operations will resume on Tuesday, September 8th.**
