reLink MEDICAL EXCELLENCE AWARD

How long have you been working for reLink Medical?
It's been just over a year.

What do you enjoy most about being a reLink Field Transportation Specialist?
I like driving and being able to travel.

What would you tell someone considering the role?
You have to love to drive and you shouldn't mind traveling. Your focus should be on the road, traveling, and making it on time to your pickups and deliveries.

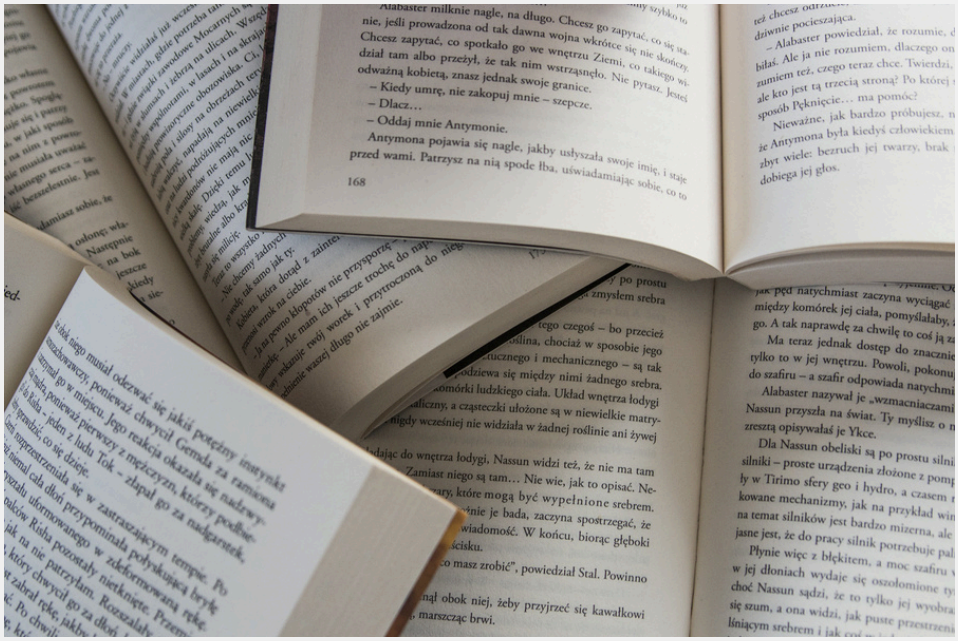

DEREK RICHARDSON

HUB: Baltimore, Maryland

Where do you see your career progressing over the next few years?
I love driving. As long as I am on the road making deliveries,
I am okay with doing this job as is for the next few years.

A word from our FTS Manager on Derek's growth and contribution to the company:
Since joining reLink Medical, Derek has become more confident in his role, developed a stronger understanding of daily operations, and demonstrated increased independence in completing his responsibilities. He has adapted well to company processes, continues to build his knowledge, and has become a dependable team member who can be trusted to complete assigned tasks with minimal supervision. He is a valuable asset because of his reliability, positive attitude, and willingness to help wherever needed. He consistently supports the team, maintains a strong work ethic, and approaches his responsibilities with professionalism. His dependability, ability to learn, and commitment to contributing to the success of the operation make him an important part of the reLink Medical team.
